

ANNUAL REPORT Lincoln Alexander School Council

June 30, 2026

As we conclude another successful school year, we would like to extend our heartfelt gratitude for your continued support, involvement, and dedication to our school community. Your contributions have helped create a positive, welcoming, and enriching environment for all of our students.

We would like to recognize and thank our School Council members for their commitment and service throughout the 2025–2026 school year. This year's members included: Jessica Bagby, Alyssa Roberts, Katie Oliver, Christine Winter, Sanja Ionita, and Jon Winter.

One of our key achievements was helping to offset the cost of educational excursions for students from Kindergarten to Grade 6. We also held a successful Krispy Kreme Donut Fundraiser, which would not have been possible without the participation and generosity of our school community. We were able to purchase a basketball net for our students with funds raised which was widely accepted with our students.

Our School Council meetings continued to provide an important forum for sharing ideas, discussing school matters, and planning for the future. The insights and perspectives of our families have played a valuable role in supporting school initiatives and strengthening our community.

As we look ahead to the 2026–2027 school year, we encourage parents and guardians to remain actively involved. Your voice and participation are essential, and we warmly invite you to join us at future School Council meetings as we work together to provide the best possible experiences for our children. The tentative date for our first School Council meeting of the 2026–2027 school year is September 16, 2026 at 6pm.

Thank you once again for your ongoing support and commitment to our school. We wish you and your families a safe, restful, and enjoyable summer break.
